

# Earn Rewards for Outfitting your facility.

## Welch Allyn SET ME UP Program Details

Get rewarded for purchasing the best!

Introducing the Welch Allyn SET ME UP program—the rewards program that creates an incentive for you to purchase across the entire range of Welch Allyn products. The more you buy, the more rewards you earn towards additional products. It's that simple.

### Here's how the program works:

1. Meet with your Connetquot West representative for a **demonstration of the full line of Welch Allyn products** based upon your specific practice/facility needs.
2. Visit [www.welchallyn.com/setmeup2010](http://www.welchallyn.com/setmeup2010). Using the Set Me Up Rewards Calculator, determine the rewards you will earn for the products you wish to purchase.
3. **Purchase** the Set Me Up program products from Connetquot West
4. Upon receipt of your invoice, return to the Set Me Up Rewards Calculator and use your rewards to continue to outfit your facility.
5. Complete the redemption form found in the Set Me Up Rewards Calculator, print and submit along with a copy of your invoice.

It's that easy!

### SET ME UP Program Qualifications:

- Must purchase a minimum of three Welch Allyn Integrated Diagnostic Wall Systems or Desk Sets with MacroView™ Otoscopes.
- Must purchase at least one stand-alone or integrated thermometry product.
- This program cannot be combined with any other promotions or offers.
