Freedom Dinnerware is a **practical and revolutionary solution** for people with disabilities who have difficulty eating due to the movement of the dinnerware. Each one of the Freedom Dinnerware dishes come with a **patented Freedom Suction Pad**. Simply turn the Freedom Dinnerware dishes over and attach the Freedom Pad to the bottom of the Freedom Dinnerware dishes, like putting a lid on a jar and turn it by hand until it is securely tight. The suction pad holds the Freedom Dish in place, preventing it from moving or tipping over!

## **Also Available:**

### ***Freedom Cupholders***

Great for Wheelchairs, Wheelchair Trays, Over-Bed Tables and Table Tops. Folds flat for easy storage and features Freedom's patented suction pad base that prevents it from moving, sliding, or falling over.
